Action Taken Report
Academic Year 2018-19

The college has a feedback committee in place, and at the conclusion of each academic year, input from employers, professors, alumni, and students are gathered. The committee responsible for feedback gathers, examines, and evaluates the input after it is received. Subsequently, the Principal, and Department Head engaged in discussions before taking the necessary measures. The two steps in this technique are as follows:

Analysis of Feedback:

1) A new syllabus is necessary.
2) Include computer based practical's
3) There is a huge syllabus.
4) Projectors are required
5) Improve electronics equipment's
6) Arrange training and placement cell

Action taken on Feedback:

The BOS members and members of the syllabus framing committee are promptly informed of the recommendations/suggestions received through the feedback during the restructuring workshop. The college/institution is associated with Pune's Savitribai Phule University. The curriculum developed by the SPPU must be followed by the institute or college. The department at the college level has taken the following steps to close the gaps between curricula and contemporary needs:

1) Organized training and placement cell for Students.
2) Updated equipment's requires for electronics lab were added in next year budget.
3) Needed projectors were added in budget.

Action taken

Following the analysis of student feedback on the Department of Marathi's syllabus for the academic year 2018-2019, several actions have been taken to address the feedback and enhance the curriculum:

1. Enhancing Course Content: The overwhelmingly positive feedback on the depth of course content, including project work, has encouraged us to further enrich the curriculum with more diverse and challenging content to meet students' expectations.

2. Need-Based Syllabus: To make the syllabus even more need-based, efforts have been made to align it closely with industry requirements and the evolving demands of the field.

3. Library Resources: The feedback regarding additional source material from the library has prompted us to expand and update the available resources in the department's library for the benefit of students.

4. Background Requirements: We are working on providing additional support and prerequisites to help students with diverse backgrounds benefit more effectively from the subject matter.

5. Overall Improvement: The department is committed to addressing the concerns of the 7.31% of students who expressed dissatisfaction with the syllabus, through open communication and additional support.

We value the feedback from our students and will continue to make improvements based on their input to ensure a more fulfilling learning experience.
