Curriculum Delivery policy

Introduction:

The aim of the Teaching & Learning Policy is to ensure that the Mission Statement, " **To Groom Student to be self-dependent and responsible citizens through value based and skill based education**" is understood, and applied, by every member of the academic team so that all students can achieve their full potential, achieve their individual learning goals and progress successfully.

As a result, we believe that, for our institute, excellence in teaching and learning is based on a commitment to the following: a positive environment, a dynamic faculty, engaged students, varied and appropriate assessment and social activism.

Objectives:

- ✓ K. K. Wagh College aims to provide a learning environment which is welcoming, safe and inspiring. It will be appropriate to the subject and responsive to the needs of the student.
- ✓ Students are encouraged to:
 1. develop an enthusiasm for learning subject;
 2. engage in learning;
 3. enhance overall knowledge and skills;
 4. coordinate various activities in college & also external agencies;
 5. Gain experience of working environments for lifelong learning in a professional context.

To achieve higher benchmarks of quality, IQAC has undertaken following significant activities to continuously review the teaching learning process.

1. Academic calendar and action plan.
2. Teaching plan, attendance record of the students.
3. Monitoring the teaching-learning process by HODs regularly.
4. Adoption of innovative teaching methods and ICT tools.
5. Conduction of experiential learning methods like Exhibitions, Demonstrations of experiments, Study tours.
6. Conducting formative and summative assessment as per the schedule.
7. Appraising of the performance of teachers by collecting assessment report from students, course-wise examination results, result analysis and result summary.
8. Arrange annual prize distribution programme to celebrate success and hard-work of Students and teachers over the years.

9. Feedback from parent, alumni and employee.

10. Under T&P cell students are continuously motivated and trained for personality development.

Outcome:

- Learning outcome is reviewed by the departments based on the student's performance
 - In tests conducted for continuous internal assessment.
 - Responses in the classes and performance in the competitions.
 - The passing boards based on the performance of students in the end semester exams.
 - The placement cell based on the employer feedback.
- Based on all these syllabus revisions, smart teaching, personal assistance, academic counselling are given to students in order to improve learning outcomes.
- Continuous follow up about academic improvement is taken by management.
